

SAYAN GHOSH

B.Tech Information Technology Student | Software Development & Backend Intern Aspirant

+91 8178239666 • sayan22022006@gmail.com • Haryana, India • GitHub: github.com/sayan22022006-eng

PROFILE

B.Tech Information Technology student with a strong foundation in Java, Python, C, SQL, DBMS, OOP, Data Structures and Algorithms, Operating Systems, and Computer Networks. Hands-on experience with machine learning, web applications, and database-driven systems, with a strong interest in software and backend development.

EDUCATION

B.Tech in Information Technology Asansol Engineering College, Asansol, West Bengal	2023–2027 7th Semester CGPA: 7.03
Class XII (CBSE) Delhi Public School Maruti Kunj	2023 71.2%
Class X (CBSE) Delhi Public School Maruti Kunj	2021 67.5%

TECHNICAL SKILLS

Languages: Java, Python, C

Databases: MySQL, SQLite, SQL

Core CS: Data Structures & Algorithms, DBMS, OOP, Operating Systems, Computer Networks, Distributed Systems

Frameworks & Libraries: Flask, Pandas, NumPy, Scikit-learn

Tools: Git, GitHub, VS Code, Eclipse

PROJECTS

Student Performance Prediction System | Python, Scikit-learn, Pandas, NumPy

- Built a machine learning model to predict student performance using academic metrics.
- Processed datasets with Pandas and NumPy and implemented the prediction workflow using Scikit-learn.

PDF Comparison Tool | Python

- Developed a tool to compare PDF documents and identify differences in their text/content.
- Implemented a document comparison workflow to make changes between PDFs easier to review.

Task Manager Web Application | Python, HTML, CSS, MySQL, SQLite

E-Commerce Website

- Designed a responsive online shopping interface with product listing and user interaction features.
- Focused on clean interface structure and practical web application functionality.

CERTIFICATIONS & WORKSHOPS

NASSCOM Generative AI Tools Certificate | Google Developer Groups Workshop | Stripe Workshop | Bajaj Workshop | Progressive JavaScript Learning Path (Fundamentals to Advanced) | Python and Flask Framework | HR in Information Technology

SOFT SKILLS

Problem Solving | Teamwork | Communication | Quick Learning | Analytical Thinking
